TEDDY PAVON	- Secretariat Head

The Pre-bid conference for the Department of Foreign Affairs procurement of **PEST CONTROL SERVICES FOR CY 2019** with an Approved Budget for the Contract of One Million Pesos (PhP1,000,000.00) was held at the BAC Conference Room at 30 October 2018 and presided by BAC Chairperson Imelda M. Panolong. The pre-bid conference started at 2:10pm when a quorum was declared.

In attendance were representatives of the following prospective Bidders:

1. Power House Pest Control Services

For the information of the prospective bidders in attendance, the BAC Secretariat facilitated the discussion the requirements of the Technical Specifications for the project, as discussed in the Bidding Documents. Discussions on the specific requirements were provided by the End-user representatives and members of the BAC.

During the pre-bid, it was explained that the "burrow fumigation" indicated in the Terms of Reference was highly toxic and was not ideal for buildings which people frequent, or for vacant buildings. It was agreed by the Committee that "burrow fumigation" would be deleted

It was clarified further that several items requested in the Terms of Reference are no longer FDA approved, and the substitute products costs significantly higher than the ABC.

As the End user will need to recompute and recalibrate the terms and specifications, it was determined that the procurement should be cancelled and reposted once the project has been reevaluated.
