## Civil Registration Services – Reports of Birth, Marriage, or Death

## Civil Registration Services – Reports of Birth, Marriage, or Death

The Department's Civil Registry Division acts as the receiving office for various delayed reports of vital events (Report of Birth, Marriage, and Death) of Filipinos born, married, or who died abroad and who are now domiciled in the Philippines.

These delayed reports are forwarded for registration to Philippine Foreign Service Posts. All registered reports from FSPs are subsequently transmitted to the Philippine Statistics Authority (PSA) as the permanent repository of vital event records.

## Civil Registration Services – Reports of Birth, Marriage, or Death

The Department's Civil Registry Division acts as the receiving office for various delayed reports of vital events (Report of Birth, Marriage, and Death) of Filipinos born, married, or who died abroad and who are now domiciled in the Philippines.

These delayed reports are forwarded for registration to Philippine Foreign Service Posts. All registered reports from FSPs are subsequently transmitted to the Philippine Statistics Authority (PSA) as the permanent repository of vital event records.

## Civil Registration Services – Reports of Birth, Marriage, or Death

The Department's Civil Registry Division acts as the receiving office for various delayed reports of vital events (Report of Birth, Marriage, and Death) of Filipinos born, married, or who died abroad and who are now domiciled in the Philippines.

These delayed reports are forwarded for registration to Philippine Foreign Service Posts. All registered reports from FSPs are subsequently transmitted to the Philippine Statistics Authority (PSA) as the permanent repository of vital event records.
