SUPPLEMENTAL / BID BULLETIN No. 1

Project : Procurement of Pest Control and Disinfection Services for January to December 2022
Reference : PB-GS-17-2021
ABC : PhP 2,662,293.46
Date : 6 December 2021

This supplemental/bid bulletin is being issued to provide prospective proponents/bidders information on the following changes to the Bidding Documents:

- I. **Technical Specification (Section VII)** - The Technical Specifications (Section VII) of the Bidding Documents are superseded by ANNEX 1 of this Supplemental/Bid Bulletin No. 1.

The Bidding Documents are amended accordingly.

For the information and guidance of all concerned.

NARCISO T. CASTAÑEDA
Assistant Secretary and BAC Chairperson

ANNEX 1

Technical Specifications

Procurement of Pest Control and Disinfection Services for January to December 2022

| ITEMS | | |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------|
| I. | Background The Department intends to procure a pest control and disinfection service provider to ensure that its properties and facilities are free from pests, and the health and welfare of its buildings' occupants are safeguarded. | |
| II. | Objectives The project involves the extermination of all pests such as but not limited to rats, bugs, vermin, cockroaches, silverfish, ants, flies, wasps and termites that pose harm to the properties, facilities and occupants of the Department's premises. It shall also include control and management of stray animals found inside the premises. Due to the global pandemic the Department needs disinfection services to prevent the spread of Coronavirus disease (COVID-19) within the DFA premises. | |
| III. | Scope of Works | Statement of compliance |
| | <p>Pest Control areas of operations shall include the following:</p> <ol style="list-style-type: none"> 1. DFA Main Building and its premises (including Apron building, South Wing Annex, Basement, Sub-basement, Old Authentication Building, Basketball court, Parking Plaza, Sewage Treatment Plant (STP), Garbage Segregation Area, green house and gardens within the DFA premises) <p>Address: 2330 Roxas Blvd., Pasay City Lot Area: 12,200 sq.m. Building Area: 46,550.27 sq.m. No. of floors: 13 floors (North wing), 5 floors (Apron), 6 floors (South Wing Annex) and 2 basements. Basketball court with an area of 1,800 sq.m. Frequency of service: Monday, Wednesday and Friday or as instructed by OAMSS-EMD.</p> <ol style="list-style-type: none"> 2. DFA OCA-Aseana Building and its premises (including Sewage Treatment Plant (STP). <p>Address: Corner Bradco Avenue & Pres. Diosdado Macapagal Blvd., Aseana Business Park, Brgy. Tambo, Parañaque City Lot Area: 3,269.53 sq.m.</p> | |

| | | |

|--|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|

2. DFA OCA-Aseana Building and its premises (including STP).

Address: Corner Bradco Avenue & Pres. Diosdado Macapagal Blvd., Aseana Business Park, Brgy. Tambo, Parañaque City

Lot Area: 3,269.53 sq.m.

Building Area: 7,802 sq.m.

No. of floors: 4 floors.

3. DFA NCR Consular Offices:

a. CO NCR CENTRAL

Address: 1st Floor Lingkod Pinoy Center Robinsons Galleria West Lane EDSA cor. Ortigas Avenue, Pasig City

Office area: 300 sq.m.

b. CO NCR EAST

Address: 7th Floor SM Megamall Building C, EDSA cor. Julia Vargas Avenue Mandaluyong City

Office Area: 1,064 sq.m.

c. CO NCR NORTH

Address: 3rd Floor Lingkod Pinoy Center Building B, Robinsons Novaliches, Quirino Highway, Barangay Pasong Putik, Quezon City

Office area: 633.37 sq.m.

d. CO NCR NORTHEAST

Address: Level 2 Ali Mall Araneta Center, Cubao, Quezon City

Office Area: 731 sq.m.

e. CO NCR SOUTH

Address: 4th Floor Metro Alabang Town Center, Alabang Zapote Road, Muntinlupa City

Office area: 600 sq.m.

f. CO NCR WEST

Address: 5th Floor SM City Manila Concepcion St. cor. Arroceros St. and San Marcelino St., Manila

Office area: 1,019 sq.m.

The Contractor shall:

- a. Provide pest control treatment of rats, mice, vermin, silverfish, cockroaches, mosquitoes, ants, flies, wasps and termites including larvicide operations, termite control, fogging, and other similar services at the DFA premises as previously mentioned.
- b. Provide and furnish all technical services, chemicals, equipment, supervision and other related works necessary for the performance of disinfection services for the following:
 - 1) One Hundred Fifteen Thousand (115,000) square meter for DFA Main.
 - 2) Three hundred twenty thousand seven hundred sixty four and forty nine (320,764.49) square meters for DFA OCA-Aseana and Satellite Offices (SO).
- c. Provide the OAMSS a complete Pest Control plan for the duration of the contract at the beginning of the Contract. This includes the daily, weekly and monthly schedule of activities for major and minor works for the DFA premises as previously mentioned.
- d. Provide fogging/misting services at the DFA Main Building premises and DFA-OCA Aseana Building twice a month, including floor drains, restrooms, store rooms, conference rooms, ornamental plants and areas with potential harborage. Fogging and misting spray must be non-staining and FDA compliant. Services must be performed on a weekend or long holidays.
- e. Conduct scheduled inspection and survey of the premises of the DFA Main Building and DFA-OCA Aseana building to search and identify the sources and location of the pest problem and unforeseen breeding sites. Technicians shall be assigned to inspect and conduct pest control in premises as per schedule.
- f. Provide and apply insecticidal (roach) bait and/or gel near harborage areas such as cracks and crevices, underneath cubicles and tables, electrical wirings, computer units etc. using advance gel abatement.

| | | |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| | <ul style="list-style-type: none"> g. Apply insecticide in places and areas where pests crawl, hide and congregate including cracks and crevices as well as undersides of appliances, false ceiling, fixtures and furniture. h. Regularly install and inspect mechanical rat and mouse traps and glue boards around the perimeter area of the building or as requested where poison baits are not appropriate. i. Conduct cleaning operations and ensure proper and sanitary disposal of the exterminated pests and traps, garbage/chemicals. The chemicals should not be disposed of at the Department's garbage disposal and/or drainage area. j. Conduct quarterly technical evaluation and audit on the premises of the DFA Main Building, DFA-OCA Aseana building and the DFA Baguio Cottage by a duly trained and experienced supervisor in the presence of a representative of the Department. The technical evaluation/report shall be submitted to OAMSS and form part of the documentary requirements for payment. k. Provide services for catching un-spayed and unneutered stray cats for temporary shelter to be provided by the Contractor in an area assigned by OAMSS. l. Coordinate with Non-Government Organization or equivalent that cater spay and neuter programs for stray cats. All spayed and neutered cats must be released within the Department's environs; m. Provide monthly written reports to OAMSS on the services rendered within the Department's Main/Aseana buildings and their premises. A quarterly written report shall also be submitted to the Department for the service rendered in the DFA Baguio Cottage. A semi-annual written report shall also be submitted to the Department for the service rendered in the DFA Legazpi and CDO Properties. All reports shall form part of the documentary requirements for payment. n. Secure a Certificate of Appearance and Service Rendered for each visit to provincial properties of the Department. All Certificates shall form part of the documentary requirements for payment. | |
| <p>IV.</p> | <p>Contractor's obligations The Contractor shall:</p> <ul style="list-style-type: none"> a. Ensure that all technicians are well-trained and certified by a local pest control association; to report to the Department's duly | |

authorized representative for coordination of schedules of services; and to submit to the latter a Service Acknowledgement Report for signature, as the basis for their regular pest control operations in the Department's building and premises.

- b. Provide two (2) technicians, for Main building and for OCA-Aseana building. Schedule are as follows:

| Area | Shift | Time |
|---------------------------------------------------------------------------|-----------|-------------------|
| DFA Main building Every (Monday, Wednesday, Friday and Saturday) | 1st shift | 8:00 am - 5:00pm |
| | 2nd shift | 11:00 am - 8:00pm |
| DFA Aseana building (Tuesday and Thursday) | 1st shift | 8:00 am - 5:00pm |
| | 2nd shift | 11:00 am - 8:00pm |

Technicians must coordinate with and report immediately to the Engineering and Maintenance Division (EMD) for completion of Service Requests.

- c. Provide fogging and misting schedules in a formal letter submitted to OAMSS – EMD for approval and dissemination.
- d. Must comply with the minimum safety protocols, rules and regulations in the DFA premises including protocols from Malls where Satellite Offices are situated for the disinfection services.
- e. Coordinate with OAMSS-EMD on the schedule and area for the disinfection services for the DFA Main building.
- f. Coordinate with OAMSS-EMD and OCA Aseana assigned point person for the Disinfection services for DFA OCA-Aseana and SO.
- g. Ensure that all service technicians are in proper uniform and must wear their company ID cards at all times while inside DFA premises.
- h. Conduct ocular inspection in the DFA Main Building and DFA Aseana before the deadline of submission of bids. **A certificate of attendance will be issued by OAMSS-EMD.** Request for ocular inspection must be made at least one day before the inspection date for issuance of gate pass. Inspection is allowed only during weekdays, from 9:00 am to 3:00 pm only.
- i. Ensure compliance with DOLE rules and regulations on labor.

|-------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| | <p>j. Provide in the financial bid breakdown of bid offer using format of Annex B.</p> | |
| V. | <p>Contractor's qualifications:</p> <p>a. The Contractor must be an existing agency offering pest control services for at least four (4) years from the date of posting.</p> <p>b. The Contractor must be an accredited member of any local pest control association e.g. Pest Control Association of the Philippines (PCAP) or equivalent.</p> <p>c. The Contractor must possess the most recent FDA certifications for the chemicals and solutions to be used.</p> <p>d. The Contractor must have experience for disinfection services to hospitals and government facilities.</p> | |
| VI. | <p>Equipment and Supplies: The Contractor shall provide Pest Control and Disinfection Equipment and Supplies as listed in Annex A.</p> | |
| VII. | <p>Safety measures in using pesticide, termiticide and disinfection chemicals/solutions The Contractor shall:</p> <p>a. Rid the premises of unwanted odor and control all kinds of pollution related to fogging/misting.</p> <p>b. Protect premises from harmful effects of pesticide and termiticide residues during and after the conduct of pest control services.</p> <p>c. Ensure that all chemical/solutions to be used in the Department shall not pose any health hazards to the occupants of the building.</p> <p>d. Use an all-natural multi-purpose disinfection solution on all surfaces to effectively disinfect and eliminate bacteria, fungi, virus and salmonella on contact. For the safety of DFA personnel and clients, twelve (12) to twenty four (24) hours of grace period after completion of disinfection services will be observed.</p> <p>e. Follow all safety precautions in the application and handling of all pesticide and termiticide chemical/solutions or baiting systems.</p> <p>f. Submit a certificate of product registration from the Food and Drug Administration (FDA) and/or the Fertilizer and Pest</p> | |

| | | |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| | <p>Authority (FPA) of all the chemicals used for the pest control and disinfection services.</p> <p>g. Provide Personal Protective Equipment (PPE) to technicians during operations.</p> | |
| VIII. | <p>Increase of wage, premium/contribution, overtime payment and other miscellaneous expenses.</p> <p>The Contractor must include in the bid proposal/cost breakdown contingencies (included in the bid proposal of maximum contingency of 5%) for wage increase, premium/contribution increase, overtime payment and other miscellaneous expenses for the duration of the contract.</p> <p>Submit during the contract duration cost breakdown and justifications for payment requirements.</p> | |
| IX. | <p>COVID19 prevention and safety during operations:</p> <p>The Contractor shall:</p> <ol style="list-style-type: none"> 1. Ensure that assigned personnel are COVID-19 free before entering the premises; 2. Provide and ensure that assigned personnel observe IATF prescribed safety protocols (i.e. face mask, face shields, and observe social distancing) within the DFA premises and comply with DFA security requirements; 3. Provide its personnel isopropyl alcohol and hand soap for personal hygiene; 4. Ensure that used personal protective equipment used by Department as well as service provider personnel are disposed of separately from other waste products through the use of color coded trash bins.; and 5. Contractor’s personnel must submit Daily Health Declarations from 6 am to 9 am. | |
| X. | <p>Schedule of Requirements:</p> <p>A. The Contract shall be in full force and in effect for the period of one (1) Calendar Year. The Contractor shall provide the services within seven (7) calendar days from receipt of the Notice to Proceed (NTP).</p> <p>B. Fogging/misting schedule:</p> <ol style="list-style-type: none"> a. Twice a month fogging/misting for DFA Main Building (including Main building, Apron building, Southwing Annex, Basement, Sub-basement, Old authentication building, | |

Basketball court, Parking Plaza, Sewage Treatment Plant, garbage segregation area, green house and gardens within the DFA premises)

- b. Twice a month fogging/misting for DFA OCA-Aseana Building and its premises.
- c. Quarterly fogging/misting for DFA Baguio Cottage.
- d. Semi-annual fogging/misting for Legazpi and Cagayan De Oro properties.

C. Disinfection schedule:

- a. Coordinate with OAMSS-EMD for the schedule of disinfection services for DFA Main building.
- b. OAMSS-EMD will provide the location and area in square meters for the disinfection operations for the DFA Main Building.

| Office | Area | Frequency |
|--------------------------------------------------|----------|---------------------------------|
| OCA ASEANA | 7,802.00 | 2 times a month or as requested |
| NCR-CONSULAR OFFICE EAST (SM MEGAMALL) | 1,064.00 | 2 times a month or as requested |
| NCR-CONSULAR OFFICE WEST (SM MANILA) | 1,019.00 | 2 times a month or as requested |
| NCR-CONSULAR OFFICE CENTRAL (ROBINSONS GALLERIA) | 300.00 | 2 times a month or as requested |
| NCR-CONSULAR OFFICE SOUTH (ALABANG TOWN CENTER) | 600.00 | 2 times a month or as requested |
| NCR-CONSULAR OFFICE NORTH (ROBINSONS NOVALICHES) | 633.37 | 2 times a month or as requested |
| NCR-CONSULAR OFFICE NORTH-EAST (ALI MALL) | 731.80 | 2 times a month or as requested |

- c. Coordinate with OCA Aseana point person and OAMSS-EMD for the disinfection schedule of the following:

XI.

DFA Main Building Retrofitting

The Department reserves the right to amend and revise the Contract in the event that the retrofitting of the DFA Building commences during the contract period.

| | | |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| XII. | <p>Confidentiality Clause The Contractor shall ensure that each of its personnel assigned to the Department shall execute and sign a Non-Disclosure Agreement which is to be submitted to the Department prior to the commencement of the service.</p> | |
| XIII. | <p>Terms of Payment</p> <ul style="list-style-type: none"> a) The Contractor shall submit monthly billings on the first week of the following month, based on consumption of supplies and services rendered. b) Payments shall be made thirty (30) calendar days upon receipt of the monthly invoice with complete requirements through List of Due and Demandable Accounts Payable (LDDAP). c) The payment shall be inclusive of all applicable taxes and other lawful charges. | |

Note:

Bidder must state compliance to each of the provisions in the Terms of Reference/Technical Specifications, as well as to the Schedule of Requirements. The Statement of Compliance must be signed by the authorized representative of the Bidder, with proof of authority to sign and submit the bid for and in behalf of the Bidder concerned. If the Bidder is a joint venture, the representative must have authority to sign for and in behalf of the partners to the joint venture. All documentary requirements should be submitted on or before the deadline for the submission of bids.

Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidders statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the provisions of ITB Clause 3.1(a)(ii) and/or GCC Clause 2.1(a)(ii)

Annex A

The Contractor shall provide the following Pest Control and Disinfection Equipment at no additional cost to the Department.

| | Equipment | Unit | Quantity |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-----------------|
| 1. | Fogging machine | Set | One (1) |
| 2. | Knapsack Sprayer | Set | One (1) |
| 3. | Ladder (5ft.) | Pieces | One (1) |
| 4. | Push Cart | Piece | One (1) |
| 5. | Caution Sign | Pieces | Two (2) |
| 6. | Complete Personal Protective Equipment during fogging and/or misting operations: a) Respirator b) Safety goggles or face shield c) Safety boots d) Gloves e) Long sleeved shirts and long pants f) Chemical resistant category gloves g) Waterproof hat and neck covering | Sets | Two (2) |
| 7. | Hard hats with LED lights | Pieces | Two (2) |
| 8. | Flashlights | Pieces | Two (2) |
| 9. | Portable sterilization Fogger Disinfection sprayer electronic ignition set 0.9 Liter | Unit | One (1) |

Annex B

The Contractor shall provide the following Pest Control and Disinfection Supplies and services during contract duration.

| | Supplies | Unit | Quantity |
|-----|---------------------------------------------------------------------------------|---------------|--------------------------------------------------------------------------------------------------|
| 1. | Rat Cage/Trap | Pieces | One hundred fifty (150) |
| 2. | Rat/Mice Glue (Odorless) | 400 grams/can | Forty five (45) |
| 3. | Chemical (Odorless) for killing/repelling crawling insects | Liters | Eighteen (18) |
| 4. | Pyrethroid (odorless for misting and minimal to no odor for fogging) | Liters | Forty five (45) |
| 5. | Termiticide solution | Liters | Nine (9) |
| 6. | Disinfectant deodorizer air spray | Tubes | Thirty eight (38) |
| 7. | Plastic bags (biodegradable), extra thick | Pieces | One hundred thirteen (113) |
| 8. | Heavy duty gloves | Pairs | Fifteen (15) |
| 9. | Disposable surgical mask (50 pieces per box) | Box | Eight (8) |
| 10. | LED UV Electric Light Trap | Sets | Five (5) |
| 11. | Cockroach Killing Gel 1.05 oz (syringe) | Tubes | Thirty six (36) |
| 12. | Surgical face mask (for personnel use) | 50 pcs/box | Five (5) |
| 13. | Face Shields (for personnel use) | Pieces | Twenty (20) |
| 14. | Isopropyl Alcohol with 70% solution (for personnel use) | Gallon | Four (4) |
| 15. | Disinfectant atomizer solution for DFA Main Building | Square meters | One Hundred Fifteen Thousand (115,000) |
| 16. | Disinfectant atomizer solution for DFA OCA-Aseana office and Satellite Offices. | Square meters | Three hundred twenty thousand seven hundred sixty four and forty nine (320,764.49) square meters |
| 17. | Catch, spay/ neuter and return/ release services | Per cat | Fifty (50) |
