Preface

These Philippine Bidding Documents (PBDs) for the procurement of Goods through Competitive Bidding have been prepared by the Government of the Philippines for use by any branch, constitutional commission or office, agency, department, bureau, office, or instrumentality of the Government of the Philippines, National Government Agencies, including Government-Owned and/or Controlled Corporations, Government Financing Institutions, State Universities and Colleges, and Local Government Unit. The procedures and practices presented in this document have been developed through broad experience, and are for mandatory use in projects that are financed in whole or in part by the Government of the Philippines or any foreign government/foreign or international financing institution in accordance with the provisions of the 2016 revised Implementing Rules and Regulations of Republic Act No. 9184.

The Bidding Documents shall clearly and adequately define, among others: (i) the objectives, scope, and expected outputs and/or results of the proposed contract or Framework Agreement, as the case may be; (ii) the eligibility requirements of Bidders; (iii) the expected contract or Framework Agreement duration, the estimated quantity in the case of procurement of goods, delivery schedule and/or time frame; and (iv) the obligations, duties, and/or functions of the winning bidder.

Care should be taken to check the relevance of the provisions of the PBDs against the requirements of the specific Goods to be procured. If duplication of a subject is inevitable in other sections of the document prepared by the Procuring Entity, care must be exercised to avoid contradictions between clauses dealing with the same matter.

Moreover, each section is prepared with notes intended only as information for the Procuring Entity or the person drafting the Bidding Documents. They shall not be included in the final documents. The following general directions should be observed when using the documents:

- a. All the documents listed in the Table of Contents are normally required for the procurement of Goods. However, they should be adapted as necessary to the circumstances of the particular Procurement Project.
- b. Specific details, such as the “*name of the Procuring Entity*” and “*address for bid submission*,” should be furnished in the Instructions to Bidders, Bid Data Sheet, and Special Conditions of Contract. The final documents should contain neither blank spaces nor options.
- c. This Preface and the footnotes or notes in italics included in the Invitation to Bid, Bid Data Sheet, General Conditions of Contract, Special Conditions of Contract, Schedule of Requirements, and Specifications are not part of the text of the final document, although they contain instructions that the Procuring Entity should strictly follow.

- d. The cover should be modified as required to identify the Bidding Documents as to the Procurement Project, Project Identification Number, and Procuring Entity, in addition to the date of issue.
- e. Modifications for specific Procurement Project details should be provided in the Special Conditions of Contract as amendments to the Conditions of Contract. For easy completion, whenever reference has to be made to specific clauses in the Bid Data Sheet or Special Conditions of Contract, these terms shall be printed in bold typeface on Sections I (Instructions to Bidders) and III (General Conditions of Contract), respectively.
- f. For guidelines on the use of Bidding Forms and the procurement of Foreign-Assisted Projects, these will be covered by a separate issuance of the Government Procurement Policy Board.

The Procurement Project (referred to herein as "Project") is composed of one lot, the details of which are described in Section VII (Technical Specifications).

2. Funding Information

2.1 The GOP through the source of funding as indicated below for the FY 2024 National Expenditure Program in the amount of Seven Million Six Hundred One Thousand Pesos (PhP 7,601,000.00) Only.

2.2 The source of funding is:

- a. OAMSS' FY 2024 MOOE

3. Bidding Requirements

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 revised IRR, including its Generic Procurement Manuals and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or **IB** by the BAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have verified and accepted the general requirements of this Project, including other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

4. Corrupt, Fraudulent, Collusive, and Coercive Practices

The Procuring Entity, as well as the Bidders and Suppliers, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex "I" of the 2016 revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

5. Eligible Bidders

5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.

- 5.2. Foreign ownership limited to those allowed under the rules may participate in this Project.
- 5.3. Pursuant to Section 23.4.1.3 of the 2016 revised IRR of RA No.9184, the Bidder shall have an SLCC that is at least one (1) contract similar to the Project the value of which, adjusted to current prices using the PSA's CPI, must be at least equivalent to:
 - a. For the procurement of Non-Expendable Supplies and Services: The Bidder must have completed a single contract that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC.
- 5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.1 of the 2016 IRR of RA No. 9184.

6. Origin of Goods

There is no restriction on the origin of goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN, subject to Domestic Preference requirements under **ITB** Clause 18.

7. Subcontracts

1. Subcontracting shall be allowed for the duration of the agreement.
2. The Contractor shall submit a list of its subcontracting parties, indicating the name of the company, address, representative and contact details.

Subcontracting shall not relieve the Contractor of any liability or obligation under this agreement. The Contractor will be responsible for the acts, defaults, and negligence of any subcontractor, its agents or personnel as fully as if these were the Contractors' own acts, defaults, or negligence, or those of its personnel.

8. Pre-Bid Conference

The Procuring Entity will hold a pre-bid conference for this Project on the specified date and time on 26 October, Thursday, 10:00 A.M., through videoconferencing/webcasting as indicated in paragraph 6 of the **IB**. Kindly email the BAC Secretariat at bac.secretariat@dfa.gov.ph for the link of the videoconference.

9. Documents

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

10. Documents comprising the Bid: Eligibility and Technical Components

- 10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.
- 10.2. The Bidder's SLCC as indicated in **ITB** Clause 5.3 should have been completed within five (5) *years* prior to the deadline for the submission and receipt of bids.

If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. Similar to the required authentication above, for Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.

11. Documents comprising the Bid: Financial Component

- 11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.
- 11.2. If the Bidder claims preference as a Domestic Bidder or Domestic Entity, a certification issued by DTI shall be provided by the Bidder in accordance with Section 43.1.3 of the 2016 revised IRR of RA No. 9184.
- 11.3. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.
- 11.4. For Foreign-funded Procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

12. Bid Prices

- 12.1. Prices indicated on the Price Schedule shall be entered separately in the following manner:
 - a. For Goods offered from within the Procuring Entity's country:
 - i. The price of the Goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable);
 - ii. The cost of all customs duties and sales and other taxes already paid or payable;
 - iii. The cost of transportation, insurance, and other costs incidental to delivery of the Goods to their final destination; and
 - iv. The price of other (incidental) services, if any, listed in e.

- b. For Goods offered from abroad:
 - i. Unless otherwise stated in the **BDS**, the price of the Goods shall be quoted delivered duty paid (DDP) with the place of destination in the Philippines as specified in the **BDS**. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.
 - ii. The price of other (incidental) services, if any, as listed in **Section VII (Technical Specifications)**.

13. Bid and Payment Currencies

- 13.1. For Goods that the Bidder will supply from outside the Philippines, the bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies, shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.
- 13.2. Payment of the contract price shall be made in:
 - a. Philippine Pesos.

14. Bid Security

- 14.1. The Bidder shall submit a Bid Securing Declaration¹ or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.
- 14.2. The Bid and bid security shall be valid until 08 March 2024. Any Bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

15. Sealing and Marking of Bids

Each Bidder shall submit one copy of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must

¹ In the case of Framework Agreement, the undertaking shall refer to entering into contract with the Procuring Entity and furnishing of the performance security or the performance securing declaration within ten (10) calendar days from receipt of Notice to Execute Framework Agreement.

be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

16. Deadline for Submission of Bids

- 16.1. The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 8 of the **IB**.

17. Opening and Preliminary Examination of Bids

- 17.1. The BAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 10 of the **IB**. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat. Kindly email the BAC Secretariat at bac.seretariat@dfa.gov.ph for the link of the videoconference.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

- 17.2. The preliminary examination of bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

18. Domestic Preference

- 18.1. The Procuring Entity will grant a margin of preference for the purpose of comparison of Bids in accordance with Section 43.1.2 of the 2016 revised IRR of RA No. 9184.

19. Detailed Evaluation and Comparison of Bids

- 19.1. The Procuring BAC shall immediately conduct a detailed evaluation of all Bids rated "*passed*," using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of the 2016 revised IRR of RA No. 9184.

- 19.2. If the Project allows partial bids, bidders may submit a proposal on any of the lots or items, and evaluation will be undertaken on a per lot or item basis, as the case maybe. In this case, the Bid Security as required by **ITB** Clause 15 shall be submitted for each lot or item separately.

- 19.3. The descriptions of the lots or items shall be indicated in **Section VII (Technical Specifications)**, although the ABCs of these lots or items are indicated in the **BDS** for purposes of the NFCC computation pursuant to Section 23.4.2.6 of the 2016 revised IRR of RA No. 9184. The NFCC must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder.

- 19.4. The Project shall be awarded as follows:

Option 1 – One Project having several items that shall be awarded as one contract.

- 19.5. Except for bidders submitting a committed Line of Credit from a Universal or Commercial Bank in lieu of its NFCC computation, all Bids must include the NFCC computation pursuant to Section 23.4.1.4 of the 2016 revised IRR of RA No. 9184, which must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder. For bidders submitting the committed Line of Credit, it must be at least equal to ten percent (10%) of the ABCs for all the lots or items participated in by the prospective Bidder.

20. Post-Qualification

- 20.2. Within a non-extendible period of five (5) calendar days from receipt by the Bidder of the notice from the BAC that it submitted the Lowest Calculated Bid, the Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS) and other appropriate licenses and permits required by law and stated in the **BDS**.

21. Signing of the Contract

- 21.1. The documents required in Section 37.2 of the 2016 revised IRR of RA No. 9184 shall form part of the Contract. Additional Contract documents are indicated in the **BDS**.

Section III. Bid Data Sheet

Notes on the Bid Data Sheet

The Bid Data Sheet (BDS) consists of provisions that supplement, amend, or specify in detail, information, or requirements included in the ITB found in Section II, which are specific to each procurement.

This Section is intended to assist the Procuring Entity in providing the specific information in relation to corresponding clauses in the ITB and has to be prepared for each specific procurement.

The Procuring Entity should specify in the BDS information and requirements specific to the circumstances of the Procuring Entity, the processing of the procurement, and the bid evaluation criteria that will apply to the Bids. In preparing the BDS, the following aspects should be checked:

- a. Information that specifies and complements provisions of the ITB must be incorporated.
- b. Amendments and/or supplements, if any, to provisions of the ITB as necessitated by the circumstances of the specific procurement, must also be incorporated.

Section IV. General Conditions of Contract

Notes on the General Conditions of Contract

The General Conditions of Contract (GCC) in this Section, read in conjunction with the Special Conditions of Contract in Section V and other documents listed therein, should be a complete document expressing all the rights and obligations of the parties.

Matters governing performance of the Supplier, payments under the contract, or matters affecting the risks, rights, and obligations of the parties under the contract are included in the GCC and Special Conditions of Contract.

Any complementary information, which may be needed, shall be introduced only through the Special Conditions of Contract.

1. **Scope of Contract**

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

Additional requirements for the completion of this Contract shall be provided in the **Special Conditions of Contract (SCC)**.

2. **Advance Payment and Terms of Payment**

2.1. Advance payment of the contract amount is provided under Annex “D” of the revised 2016 IRR of RA No. 9184.

2.2. The Procuring Entity is allowed to determine the terms of payment on the partial or staggered delivery of the Goods procured, provided such partial payment shall correspond to the value of the goods delivered and accepted in accordance with prevailing accounting and auditing rules and regulations. The terms of payment are indicated in the **SCC**.

3. **Performance Security**

Within ten (10) calendar days from receipt of the Notice of Award by the Bidder from the Procuring Entity but in no case later than prior to the signing of the Contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR of RA No. 9184

4. **Inspection and Tests**

The Procuring Entity or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Project specifications at no extra cost to the Procuring Entity in accordance with the Generic Procurement Manual. In addition to tests in the **SCC**, **Section IV (Technical Specifications)** shall specify what inspections and/or tests the Procuring Entity requires, and where they are to be conducted. The Procuring Entity shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

All reasonable facilities and assistance for the inspection and testing of Goods, including access to drawings and production data, shall be provided by the Supplier to the authorized inspectors at no charge to the Procuring Entity.

5. Warranty

- 6.1. In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier as provided under Section 62.1 of the 2016 revised IRR of RA No. 9184.
- 6.2. The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall, repair or replace the defective Goods or parts thereof without cost to the Procuring Entity, pursuant to the Generic Procurement Manual.

6. Liability of the Supplier

The Supplier's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Supplier is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

7. Confidentiality Clause

1. The Contractor shall not disclose any information accessed, through the use of its services, in relation to the official functions, operations and properties/documents of the Department or personal information of Department personnel without prior consent from the Department through OAMSS-GRAD.
2. The Contractor shall immediately inform the OAMSS-GRAD of breaches, or other form of cyber threats/activities that affect its general courier services that may contribute to disclosure of any confidential information of the Department.
3. Failure to comply with the confidentiality clause shall be subject to the penalties provision of Republic Act No. 10173 – Data Privacy Act of 2012 and all other relevant existing rules and regulations.

Section V. Special Conditions of Contract

Notes on the Special Conditions of Contract

Similar to the BDS, the clauses in this Section are intended to assist the Procuring Entity in providing contract-specific information in relation to corresponding clauses in the GCC found in Section IV.

The Special Conditions of Contract (SCC) complement the GCC, specifying contractual requirements linked to the special circumstances of the Procuring Entity, the Procuring Entity's country, the sector, and the Goods purchased. In preparing this Section, the following aspects should be checked:

- a. Information that complements provisions of the GCC must be incorporated.
- b. Amendments and/or supplements to provisions of the GCC as necessitated by the circumstances of the specific purchase, must also be incorporated.

However, no special condition which defeats or negates the general intent and purpose of the provisions of the GCC should be incorporated herein.

Special Conditions of Contract

If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging.</p> <p>Transportation –</p> <p>Where the Supplier is required under Contract to deliver the Goods CIF, CIP, or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract,</p>

	<p>shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.</p> <p>Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the contract price.</p>
	<p>Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine consulate to the port of dispatch. In the event that carriers of Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered force majeure.</p> <p>The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP deliveries. In the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination.</p> <p>Intellectual Property Rights –</p> <p>The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.</p>
2.2	<p>The terms of payment shall be as follows:</p> <ol style="list-style-type: none"> 1. The Contractor shall be paid on a monthly basis from the submission of the sales invoice and complete supporting documents through List of Due and Demandable Accounts Payable (LDDAP). 2. All payments shall be inclusive of all applicable taxes and other lawful charges.
4	<p>The inspections and tests that will be conducted are: <i>inspection of goods upon deliver as specified in the Terms of Reference.</i></p>

Section VII. Technical Specifications

Notes for Preparing the Technical Specifications

A set of precise and clear specifications is a prerequisite for Bidders to respond realistically and competitively to the requirements of the Procuring Entity without qualifying their Bids. In the context of Competitive Bidding, the specifications (*e.g.* production/delivery schedule, manpower requirements, and after-sales service/parts, descriptions of the lots or items) must be prepared to permit the widest possible competition and, at the same time, present a clear statement of the required standards of workmanship, materials, and performance of the goods and services to be procured. Only if this is done will the objectives of transparency, equity, efficiency, fairness, and economy in procurement be realized, responsiveness of bids be ensured, and the subsequent task of bid evaluation and post-qualification facilitated. The specifications should require that all items, materials and accessories to be included or incorporated in the goods be new, unused, and of the most recent or current models, and that they include or incorporate all recent improvements in design and materials unless otherwise provided in the Contract.

Samples of specifications from previous similar procurements are useful in this respect. The use of metric units is encouraged. Depending on the complexity of the goods and the repetitiveness of the type of procurement, it may be advantageous to standardize the General Technical Specifications and incorporate them in a separate subsection. The General Technical Specifications should cover all classes of workmanship, materials, and equipment commonly involved in manufacturing similar goods. Deletions or addenda should then adapt the General Technical Specifications to the particular procurement.

Care must be taken in drafting specifications to ensure that they are not restrictive. In the specification of standards for equipment, materials, and workmanship, recognized Philippine and international standards should be used as much as possible. Where other particular standards are used, whether national standards or other standards, the specifications should state that equipment, materials, and workmanship that meet other authoritative standards, and which ensure at least a substantially equal quality than the standards mentioned, will also be acceptable. The following clause may be inserted in the Special Conditions of Contract or the Technical Specifications.

Sample Clause: Equivalency of Standards and Codes

Wherever reference is made in the Technical Specifications to specific standards and codes to be met by the goods and materials to be furnished or tested, the provisions of the latest edition or revision of the relevant standards and codes shall apply, unless otherwise

expressly stated in the Contract. Where such standards and codes are national or relate to a particular country or region, other authoritative standards that ensure substantial equivalence to the standards and codes specified will be acceptable.

Reference to brand name and catalogue number should be avoided as far as possible; where unavoidable they should always be followed by the words "*or at least equivalent.*" References to brand names cannot be used when the funding source is the GOP.

Where appropriate, drawings, including site plans as required, may be furnished by the Procuring Entity with the Bidding Documents. Similarly, the Supplier may be requested to provide drawings or samples either with its Bid or for prior review by the Procuring Entity during contract execution.

Bidders are also required, as part of the technical specifications, to complete their statement of compliance demonstrating how the items comply with the specification.

6. In view of the DFA Main Building Retrofitting Project, for the following newly installed equipment, provisions for mothballing shall be coordinated with the Department's existing AC contractor including periodic operation in accordance with the warranty.
 - 1 unit of Chiller
 - 41 Air Handling Units
 - 4 Cooling towers
 - 8 Pumps

C. The Contractors shall provide the following specific services.

1. Turn on and turn off all VAC systems at the DFA Main and DFA OCA Aseana Buildings, as specified by OAMSS-EMD.
2. Preventive maintenance of all VAC systems during Weekends and Holidays.
3. Supply the following spare parts for chillers, cooling towers and pumps shall be delivered before the end of the second quarter of the year:

ITEMS	QUANTIT Y	UNIT
500 TR Chiller		
CenTraVac Tracer Adaptive Control Panel Monitor for 500 TR Chiller	1	Set

Trane Chiller Lube Oil Filter with Part No. FLR01592	1	Pc
Temperature Sensor	2	Pcs
Breaker		
225A,440V, 3P	2	Pcs
Magnetic Contactor		
125A	2	Pcs
65 A	2	Pcs
125A Delta	2	Pcs
Overload Relay	2	Pcs
Time Relay	2	Pcs
Equipment control panel start up button	2	Pcs
Equipment control panel stop button	2	Pcs

4. Removal of all dust and debris, and regular checking of all VAC systems.
5. Installation of heavy-duty security locks at the entrance of all VAC Systems rooms for security purposes.
6. Thorough regular checking and cleaning of all VAC systems and immediate repair or replacement, if found defective.
7. Restoration of normal operation, within six (6) hours for minor repairs and as soon as practicable for major repairs, of the following:
 - a. All VAC Systems; and
 - b. Electrical control panels and circuit breakers, except for defects caused by tripping in the Main Breaker of the Power Center.

D. For Chillers (DFA Main and DFA OCA Aseana Buildings)

1. Recording of chillers' operating parameter readings every two (2) hours while in operation.
2. Regular checking of the following at each shift and immediate replacement if defective:
 - Crankcase oil heater
 - All sensor and gauges
 - Evaporator insulation
 - Water and refrigerant piping connection
 - Compressors motor terminals
 - All other parts and components of the AC system.
3. Cleaning and descaling of chillers' condenser shell tubes as often as necessary.
4. Application of water chemical treatment when necessary.
5. Undertake compressor change oil for 500TR Chiller with the same property of the existing compressor oil in the first quarter of the year.
6. Charge refrigerant when necessary.
7. Provide the following supplies/spare parts for 500 TR Trane Chiller:
 - CenTraVacTracer Adaptive Control Panel
 - Trane Chiller Lube Oil Filter with Part No. FLR01592
8. For the newly installed 260 TR MIDEA Water Cooled Chiller at DFA Main South Wing Building, the contractor shall coordinate with the Department's current AC contractor for the operation, preventive maintenance and repair as these equipment are under warranty.
9. For the 6 units of 60TR Hitachi Water cooled Chiller at DFA-OCA ASEANA, in case of breakdown of major components like motors and compressors, its repair or replacement must be coordinated and facilitated with the Department's current AC contractor as these components are in their second year of the warranty period. The winning contractor for this project must ensure that the Department's current AC contractor shall undertake the repair and replacement of minor components such as sensors, electronic devices, etc. in case of breakdowns.

	<p>E. For condenser and chilled water pump (DFA Main and DFA OCA Aseana Buildings)</p> <ol style="list-style-type: none"> 1. Recording of condensers' and chilled water pumps' operation parameter readings every two (2) hours while in operation. 2. Daily recording of motor resistance. 3. Preventive maintenance during Weekends and holidays for the cleaning, greasing and leak testing. If water leaks are visible, repair should be done as soon as possible. 4. Regular checking of the following at each shift and immediate replacement, if defective: <ul style="list-style-type: none"> ● Armatures, rewinding, ball bearing, and mechanical seals ● Gate valves 5. Oiling and Greasing of all water pump ball bearings when necessary. 6. For the newly installed Chilled Water and Condenser Pump at DFA Main Building, the contractor shall coordinate with the Department's current AC contractor for the operation, preventive maintenance and repair as these equipment are under warranty. 	
	<p>F. For cooling towers (DFA Main and DFA OCA ASEANA)</p> <ol style="list-style-type: none"> 1. Checking and inspection of cooling towers every two (2) hours while in operation. 2. Regular checking of the following at each shift and immediate replacement, if defective: <ul style="list-style-type: none"> ● Motor ball bearings, gears, pulleys, float valve, gate valves, and fan belt. 3. Oiling and greasing ball bearing. 4. Application of water chemical treatment at all times. 5. Monthly checking, testing and analysis of the condenser and chilled water. 6. Cleaning and descaling of cooling towers once or as often as necessary. 7. Repainting with heavy duty/durable paint of cooling towers, gate valves and pipes. 	

	<p>8. Thoroughly checking and cleaning all the cooling towers surrounding the area regularly.</p> <p>9. For the newly installed Cooling Towers at DFA Main Building, the contractor shall coordinate with the Department's current AC contractor for the operation, maintenance and repair as these equipment are under warranty.</p>	
	<p>G. For electrical system of DFA Main and DFA OCA Aseana Buildings</p> <p>1. Regular checking of the following AC electrical system and immediate replacement if defective:</p> <ul style="list-style-type: none"> ● Control panels, ● Circuit breaker, ● Contactors, and ● Various kinds of switches <p>2. Regular checkup of all the electrical system and appliances: repair and replacement of defective bulbs, tube lights, parameter lights, fans, switches, sockets, plug points, short circuiting/tripping lines, re-wiring, managing tangled wires, and other duties that may be assigned by OAMSS-EMD. Supplies of electrical items are provided by the Department.</p> <p>3. Preventive maintenance during weekends and holidays for cleaning and testing of all control panels, circuit breakers, contactors and various kinds of switches.</p> <p>4. Repainting of all control panels as necessary.</p> <p>5. Provision of additional manpower, supervision, materials, and necessary parts/tools/equipment free of charge during major and minor repairs of electrical control panels and circuit breakers.</p> <p>6. Thorough checking and cleaning of all electrical control panels, contactors and circuit breakers daily.</p>	
	<p>H. For the Air Handling Units (AHUs)</p> <p>10. For the newly installed 41 Air Handling Units at DFA Main and South Wing Building, the contractor shall coordinate with the Department's current AC contractor for the operation, maintenance and repair as these equipment are under warranty.</p>	

	<p>I. For the Fan Coil Units (FCUs) at DFA OCA-ASEANA</p> <ol style="list-style-type: none"> 1. Regular checking of all the following at each shift and immediate replacement, if defective: <ul style="list-style-type: none"> ● Parts and components ● Air Filter 2. Nightly cleaning of FCU coils, filters, drains, and motors including the housing units of FCUs. 3. Cleaning of all air ducts of ceiling concealed type FCUs 4. Conduct air balancing calibration regularly. 5. Daily preventive maintenance of FCUs including on weekends and holidays. 	
	<p>J. For the split type and window type AC units (DFA Main and DFA OCA Aseana Buildings)</p> <ol style="list-style-type: none"> 1. Checking and inspecting of split/package/window type AC units' parts and components, and immediate repair or replacement, if defective, such as but not limited to compressor, fan motor, filter drier, and electrical components. 2. Daily checking of refrigerant level for leaks, and repair and refilling when necessary. 3. Nightly cleaning of housing units, coils, filters, evaporators and condensers and drains. 4. Cleaning of all motors and coils with coils as often as necessary. 	
V	<p>Reservation</p> <p>The Department reserves the right to amend the Contract in the event that retrofitting of the DFA Main Building is implemented. Thus, the non-service rendered of the contractor for all the split/package type and window type AC Unit, shall be deducted from the monthly billing as reflected in the Contractor's cost breakdown for reference.</p>	
VI	<p>Terms of payment:</p> <ol style="list-style-type: none"> 1. The Contractor shall be paid on a monthly basis from the submission of the sales invoice and complete supporting documents through List of Due and Demandable Accounts Payable (LDDAP). 	

	2. All payments shall be inclusive of all applicable taxes and other lawful charges.	
VII	<p>Liability Clauses:</p> <p>1. The Contractor shall be liable for any direct or indirect loss or damage to the Department in case of gross negligence or willful misconduct on its part, in carrying out the operation and maintenance including major and minor repairs of the Department’s VAC system and their components.</p> <p>2. The Department has the right to unilaterally cancel the contract and impose a penalty should the Department find that the operation, preventive maintenance and repair works are not in accordance with standard practice and/or noncompliant with standard procedures.</p>

Note:

Bidder must state compliance to each of the provisions in the Terms of Reference/Technical Specifications, as well as to the Schedule of Requirements. The Statement of Compliance must be signed by the authorized representative of the Bidder, with proof of authority to sign and submit the bid for and in behalf of the Bidder concerned. If the Bidder is a joint venture, the representative must have authority to sign for and in behalf of the partners to the joint venture. All documentary requirements should be submitted on or before the deadline for the submission of bids.

Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidders statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the provisions of **ITB** Clause 3.1(a)(ii) and/or **GCC** Clause 2.1(a)(ii)

Section VIII. Checklist of Technical and Financial Documents

Notes on the Checklist of Technical and Financial Documents

The prescribed documents in the checklist are mandatory to be submitted in the Bid, but shall be subject to the following:

- a. GPPB Resolution No. 09-2020 on the efficient procurement measures during a State of Calamity or other similar issuances that shall allow the use of alternate documents in lieu of the mandated requirements; or
- b. Any subsequent GPPB issuances adjusting the documentary requirements after the effectivity of the adoption of the PBDs.

The BAC shall be checking the submitted documents of each Bidder against this checklist to ascertain if they are all present, using a non-discretionary “pass/fail” criterion pursuant to Section 30 of the 2016 revised IRR of RA No. 9184.
